

## Invitation to the 2010 annual meeting Hercules Wankel Interessengemeinschaft Germany

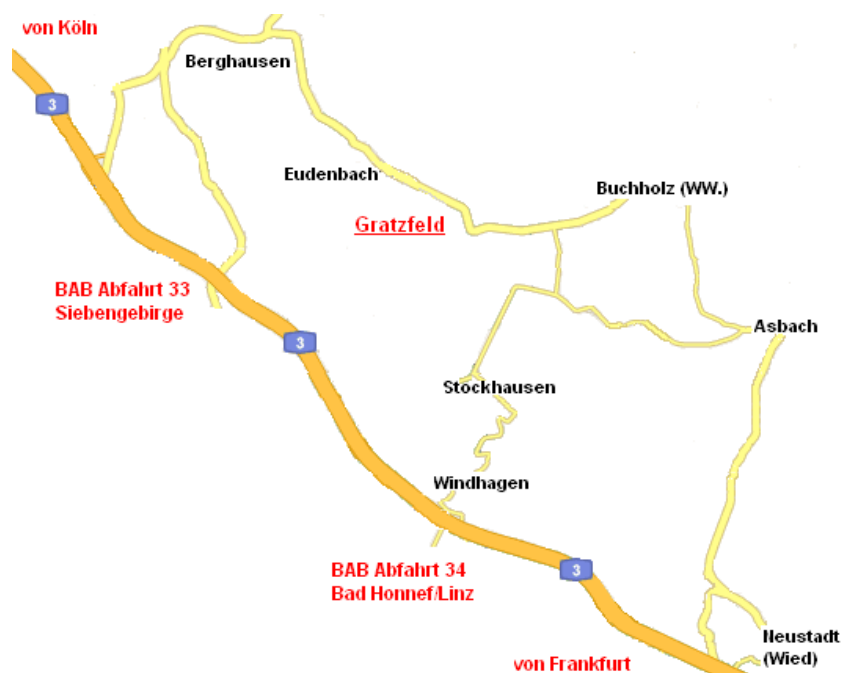

From **25 to 27 June** our 2010 annual meeting will take place. You can find the location of the event approximately 50 kilometres south-east from the city of Cologne/Rhine (Köln) in the village of Gratzfeld. Gratzfeld is a small district in the Westerwald area, which belongs to the city of 53639 Königswinter (located on the right side of the Rhine, near Bonn).

We present our annual meeting in co-operation with the historic motorbike club „Veteranen-Freunde Siebengebirge e.V.“ (<http://www.veteranen-freunde.de>). We Rotary Drivers will be their special guests at their 2010 historic motorbike meeting!

The historic bike meeting takes place every second year and it guarantees a good catering service, a campground and caravan ground with cold and very cold showers, a pavilion with beer and non-alcoholic drinks. You can also stay at a hotel or boarding house – please refer to the list attached!

All prices will be “calculated neighbourly” – i.e. during the meeting you only have to pay what you eat and drink!

### **Roadmap:**

### **Your location plan:**

Take the motorway “A 4” from Belgium until Cologne (Köln), using the ring direction „Köln Ost“ on the east side of the Rhine. Then change to motorway „A 3“, direction Frankfurt/Main (Frankfurt am Main).

After approx. 50 km you will arrive at exit no. 33, named „Siebengebirge/Königswinter“. From there on you will find signs (main direction is “Eitorf” or “Asbach”) especially for our meeting!

***Sightseeing in the neighbourhood:***

- The hill „Drachenfels“ with castle and remains of a fortress
- City of Bonn – German Historical Museum „Haus der Geschichte“
- City of Koblenz – Fortress „Ehrenbreitstein“ and memorial „Deutsches Eck“
- City of Remagen – memorial of World War II “Bridge of Remagen”

Best known: The valley of the Rhine river is a World Heritage Site and a wonderful area with a lot of old castles on the surrounding hills. You can spend a holiday trip to the Rhine!

***Our Program:*****Friday, 25 June:**

Arrivals from noon onwards. If there are enough bikers interested, we can take a touristy round trip (rotary owners and other) to the country environment in the afternoon.

**Saturday, 26 June:**

Breakfast together in the pavilion. At noon, the official historic bike drive will be started by our friends „Veteranen-Freunde Siebengebirge e.V.“ A truck will escort the bikes, in case anyone has any problems with his bike – and brings back troubled bikes and their owners. The entry fee is between 10 and 15 Euro. If you want to participate their awards and trophies, the above entry fee will be charged. Otherwise you and your bike can participate without any payment. In the evening the Hercules Wankel IG will award its own annual trophies.

**Sunday, 27 June:**
